

STUDENT PROJECT

TOUR OF EUROPE WITH A PLANE BUILD BY ISAE-ENSMA STUDENTS

FLY, MEET, UNITE

SUMMARY OF THE PROJECT

- From October 2022 to May 2023, two ENSMAIR's pilots will do a tour of Europe with a plane they are building themselves, a Pioneer 300.
- **The objectives :**
 - **connect** partner schools to ISAE-ENSMA from 8+ countries,
 - offer **conferences** on the plane, ISAE-ENSMA and our sponsors,
 - carry out an **academic study with in-flight data** collected using strain gauges, pressure sensors and thermocouples placed on the aircraft,
 - setting up a **European network** of aeronautical student associations.
